Dear Sir:

Applicants have now had an opportunity to carefully consider the Office Action dated December 15, 2004. Responsive to that Office Action, Applicants note they are submitting herewith a "Revocation of Power of Attorney with New Power of Attorney and Change of Correspondence Address" to the attorneys submitting this paper. Applicants do note the lead individual inventor submitted the request and added contact information in an inappropriate block. However, Applicants do note that the attorneys for the inventor have provided their Customer No. "027885" and that is the current location where correspondence should be addressed. Also, the co-inventors are in the process of submitting their copies of the Revocation and these will be submitted when received.

**Amendments to the Claims** are reflected in the listing of claims which begins on page 2 of this paper.

**Remarks/Arguments** begin on page 6 of this paper.
